INTRODUCTIONS FOR 1957

R. H. BURNTER

ARTISTIC GOLD—(Burt.) 32" M. D. This is the first truly GOLDEN Spider we have seen and when we say Spider we mean just that. Beautiful artistic form w/heavy velvety substance. Not one of those many loose, floppy things that have been introduced as Spiders, but look like a wasp that has been hit twice with a fly swatter, but is still flopping around. Flowers will spread to 10" or better. Foliage arching and graceful. Yellow throat w/Green feather. Petals and sepals recurved and twisted. Stock limited. \$15.00
BEVERLY JANE—(Burt.) 40" M. D. 5 1/2" Lime yellow spider of vigorous growth w/ruffled flowers of heavy velvety substance. \$5.00
EARLY WINGS—(Burt.) 42" EM. D. Light Brown petals and Pale Yellow sepals w/ large Pale Yellow throat. Good, but not lower like a bird in flight. Nicely branched w/flowers well placed. Velvety substance. Cheap at \$5.00
KING LEAR—(Burt.) 42" MD. A seedling of King Arthur. Deep Chrome self, giving a mass effect of Golden Yellow. Blooms over a very long season. A large flower of heavy velvety substance. Sun and rain resistant. \$7.50

OTHER NEW OFFERINGS FOR 1957

ALLSTAR—(Whe.) 28" M. Ev. Huge 9" star-shaped deep Yellow to light Orange, slightly recurved w/Green throat. Long medium wide graceful segments. Warrants a place in the front row of any garden. \$12.50
